

## 2021 Men's Coaching Program

Come out and enjoy some fun with a group of gentlemen to learn the basic skills to play your best golf in 2021. This program is fantastic for meeting new friends and gaining confidence in your ability to perform on the course. Class focus will be on skill building activities, and both beginner and intermediate players are welcome. Each class will begin with an intro of each session topic, followed by activity, then individual attention. Finally we will end each session with a game to put your skills to the test. Our main objective is to have fun while building friendships and skill.
